

HANDWASHING ACTIVITY

During a busy morning, the following activities were performed by a food service worker.

Put a star after the activities that would require handwashing.

Put an arrow next to activities that could cause food poisoning (cross contamination) if handwashing is not performed.

A food service worker came to work and. . .

Took coat off and put in locker
Read production sheet
Went to refrigerator to get salad ingredients
Got lettuce, carrots and other vegetables
Began to chop vegetables at salad station
Tasted new snack item brought in by a vendor
Put vegetables into bowl
Tossed salad with hands
Answered phone
Returned to salad and finished tossing
Made some garnishes
Helped cook pan raw chicken
Covered and put salad in refrigerator
Cleaned up station
Took 10 minute break
Smoked a cigarette
Got ingredients for potato salad from refrigerator and storeroom
Sliced potatoes
Gave some lunch tickets to a teacher
Tossed potatoes with other ingredients
Went to help set up utensils on lunch line
Put chicken pieces into steam table pan from sheet pan
Got tossed salad from refrigerator
Put dressing on salad and tossed
Put salad on line
Served salad using tongs
Cashiered during second lunch period
Served salad during third lunch period
Helped clean up line
Helped put leftovers away
Went to lunch

How many times should she have washed her hands? _____
